Westmorland Honey Festival

2024 Spelling Bee
Contest

Dear Educators & Parents,

We are BUZZED to invite you and your students to participate in our Imperial Valley Regional Chamber of Commerce 19th Annual Westmorland Honey Festival Spelling Bee! Spelling Bees help promote literacy by allowing children to work towards a specific goal and providing a forum in which children can demonstrate their accomplishments. Spelling Bees also help children improve their spelling, vocabulary, study and public speaking skills and ability to thrive under pressure. BEE-excited with us to include any student interested in participating from your 4th through 8th grade classes in experiencing this classic competition.

The 19th Annual Honey Festival Spelling Bee will be held on November 16th, 2024. The Festival will be from 8:00 am to 2:00pm and include many exciting activities and vendors. The Spelling Bee will start at 11:30am and conclude by 12:45pm. The students will be split into two competitions, first 4th grade through 6th grade and second 7th and 8th grades. All Competitors will need to meet at the main stage area of the Festival by 11:15am.

We are including a suggested study guide list of 100 words (not inclusive of all potential words). Also included are the official spelling Bee rules. We encourage your students to study the words in preparation for the spelling bee. This is a great opportunity for each student to improve their spelling and have fun! The top three winners in each grade band will receive a trophy. In addition, first place finishers in each grade band will receive a gift certificate prize and yearlong recognition as the 19Th Annual Honey Festival Spelling Bee Champion!
